# Historic CROSS STREET MARKET

1869

In 1845, a long, open air shed is built between Charles and Patapsco Streets where vendors could sell staples like meat, seafood, and vegetables. In 1869 the Market closes and is rebuilt as a two-story Italian Revival-style building, with a meeting hall on the second floor.

1951

An early morning 12-alarm fire starts in the main building and ultimately destroys all of Cross Street Market, as well as a few neighboring buildings. Some displaced merchants find temporary spaces nearby, and some set up stalls along Cross Street.

1952

Cross Street Market re-opens! It is re-built as the 31,800-square-foot structure of today. More than 20,000 people attend the grand opening event. In the years to follow, the building will see some minor changes in its exterior and signage.

## NOW

Cross Street Market completed a full renovation in 2019 and is now the home to 22 independently owned and operated businesses. The building's renovation includes a full restoration of the entrances on S. Charles Street and Light Street, to closely resemble their 1950's designs and became a regional destination for food and beverage. Atlas Restaurant Group was honored to be welcomed into the Market opening Watershed and Atlas Fish Market Spring 2021.
